What We Offer

Welcome to PJD Training Academy, Wolverhampton's leading provider of high-quality training solutions in the construction industry. Our mission is to equip individuals and organisations with the skills and qualifications necessary to thrive in today's competitive environment.

At PJD Training Academy, we offer a comprehensive range of courses designed to meet the evolving needs of the construction sector. Our accredited programmes include:

CITB Training

We provide essential courses covering various aspects of health and safety in the workplace, tailored specifically for those in the construction industry.

NPORS Training

Our National Plant Operators Registration Scheme (NPORS) training equips participants with the practical skills and theoretical knowledge required to operate plant and machinery safely and efficiently.

IOSH Training

With a focus on effective safety management, our IOSH courses empower professionals to foster a culture of health and safety within their organisations.

NVQs

We offer a range of National Vocational Qualifications (NVQs) at levels 2 to 6 that enable individuals to showcase their competence and skills in various construction roles.

Rent Our Facilities

In addition to our training courses, PJD Training Academy provides a versatile rental space for individuals and organisations looking to conduct their own training programmes within the construction sector. Our fully-equipped facilities are available for hire, allowing you to customise the training experience to suit your specific requirements.
